Did you include that as an exhibit? This might be important to prove bad faith actions by CareSource - we did not get ANY response to this till today (submitted in 2018 within a year from recoupment as per Craesource policy)...

Also maybe you want to include examples of the actual EOB illegally recouped - it give more credibility for the claim...

This is the evidence of our appeal to Caresource that they have been ignoring over the last 4 plus years (more that 70K\$ illegally recouped by Caresource).
